

## BARNSTON PRIMARY SCHOOL KEY STAGE 1 AND 2 NEW CURRICULUM OVERVIEW FROM SEPTEMBER 2014

School Subject: **PE/GAMES**

\*Each heading e.g. Gymnastics, Dance etc. has individual lesson planning to the New Curriculum, which develops skills to a higher level throughout the age bands. In addition to this plan, all the children have a further hour of games skills provided by our Sports Providers. The progression of these skills is assessed termly by the Sports Providers and impact is measured. During the games sessions one of our Sports Specialists works with the Gifted and Talented pupils, taking them to a higher skills level within each lesson. (There may be different pupils in different sessions e.g. a pupil may be Gifted & Talented in football skills but not in striking/fielding skills).
